CONSTR. MGMT

A mustang — commissioned from the enlisted ranks through MECEP. Captain Hunter began as an aircraft electrical/weapon systems technician (6 yrs hands-on helicopter maintenance), then Aviation Information Systems Specialist. Earned a BS in Construction Management (ACCE-accredited, Auburn). Five deployments: Iraq ×2 (OIF 2006, 2007), MEU 9/11, Afghanistan ×2 (OEF 2013, 2018 Kabul combatant command). Commanded 140+ Marines with \$4M+ equipment accountability and led MARSOC logistics. Having turned a wrench, run a deck, and held command, he knows what it takes to get the mission done at every level.
